Northern Trails – AQ – Radio Edit

About the release

Northern Trails loves to put love in the hands of maniacs. *AQ* is not an exception and is a song about feelings of emptyness and desperation that comes with a broken heart. It is an epic, melancholic indie rock track, with the band's Americana influences shining through primarily in the closing guitar solo.

About Northern Trails

Northern Trails make warm, melody-first guitar pop that feels like it was always there — somewhere between the emotional depth of R.E.M.'s *Automatic for the People*, the sweeping melodic instincts of Keane, and the quiet grandeur of early Coldplay. Rooted in the 90s indie tradition, they make music for people who still believe in the power of a well-written song.

The band came together in Uppsala, Sweden in May 2022, when Christer Tinnerholm and Thomas Isberg decided it was time to spend a little less time on ultra running and a little more on pop music. Joined by Per Larsson and Ulf Eklund, they recorded *Hearts Went Frozen EP* and released it late 2023. Thomas Strömbom heard the single *AQ* on Swedish radio and asked if the band needed a keyboard player. Northern Trails has performed as a quintet ever since.

Since then the band has built a steady catalogue of singles and a growing

reputation on the Swedish live circuit. In spring/summer 2026 they return with a run of new singles and a new EP.
