

Northern Trails – AQ

About the release

Northern Trails loves to put love in the hands of maniacs. AQ is not an exception and is a song about feelings of emptiness and desperation that comes with a broken heart. It is an epic, melancholic indie rock track, with the band's Americana influences shining through primarily in the closing guitar solo.

About Northern Trails

Rooted in Americana, 90s Britpop and Swedish indie pop tradition, Northern Trails has a way of presenting timeless melancholic melodies in traditional pop and rock costumes decorated with genre-crossing pearls.

The band was formed in Uppsala, Sweden in May 2022 when Christer Tinnerholm and Thomas Isberg agreed to focus a little less on ultra running and more on pop music. Together with friends Per Larsson och Ulf Eklund they put *Hearts Went Frozen EP* on tape and released it in November 2023. Thomas Strömbom enjoyed the single *AQ* on the radio and asked the band if they needed a keyboard player, and Northern Trails has ever since performed as a quintet.
