Me and My Gold

Artist: Northern Trails

Music & lyrics: Thomas Isberg

Leave me with my gold
Leave me cold with pride
Leave me with my gold
Leave me

Can't you tell my heart's black and blind folded?
Leave me with my gold
Leave me
Free me

Oooh when your useless soul
Reaches out to save me
Fail me
You're so easily fooled
I play tricks on you
Don't reach out to save me
Hate me and you'll thank me one day
One day

Oooh when your useless soul
Reaches out to save me
Fail me
You're so easily fooled
I play tricks on you
Don't reach out to save me
Hate me and you'll thank me one day
One day
