

Body (Leæther Strip Remix)

Artist: ARMOURS

Music: Håkan Ängquist and Claus Larsen

Lyrics: Håkan Ängquist

Breaking the frame

You're conversating

Sad to say

Making my claim

We are converting

Find your way

The way your body explains

The way your body explains

The way your body explains

The way your body explains

Making your claim

Two generations

Made to stay

The way your body remains

The way your body remains

The way your body remains

The way your body remains
