# ARMOURS – Body (Leæther Strip Remix)

## About the release

Leæther Strip remixes Body. Leæther Strip is the solo project of Danish electronic artist and producer Claus Larsen, which emerged in the early 1990s with an aggressive sound that helped build the foundation for Western Europe's influential EBM (electronic body music) and electro-industrial movements. One of the foremost acts to sign with Germany's authoritative Zoth Ommog record label, Leæther Strip was a dominant force in the '90s and has continued to carry the dark electro-industrial and EBM flag into the 2010s and 2020s.

Written, performed and produced by ARMOURS.
Remixed by Leæther Strip.
Mastered by Hans Olsson at Svenska Grammofonstudion.

## About ARMOURS

ARMOURS is a three piece electronic act formed late 2025 in Stockholm, Sweden, by designer Håkan Ängquist, coder Thomas Isberg and artist Bengt Rahm.

The band draws inspiration from the Synthpop, Post-punk and Electronic Body Music scenes of the 80s, mixing drum machines, vintage analogue synths and industrial samples with baritone vocals. Influences ranges from EBM inventors Nitzer Ebb, Front 242 and DAF to post-punk pioneers Joy Division and pop auteurs Pet Shop Boys and Bronski Beat, as well as contemporary acts like Cold Cave, Kite, Boy Harsher, Kontravoid, Light Asylum and Linda Aspera.
