

Northern Trails – Everything I Need

About the release

Christmas music from Northern Trails. *Everything I Need* is a song about getting close and appreciating the moment. It was written and recorded in the middle of December 2023, so far too late to be able to compete with *Last Christmas*. But it turned out too good to not release and Christmas next year just felt too far away.

About Northern Trails

Rooted in Americana, 90s Britpop and Swedish indie pop tradition, Northern Trails has a way of presenting timeless melancholic melodies in traditional pop and rock costumes decorated with genre-crossing pearls.

The band was formed in Uppsala, Sweden in May 2022 when Christer Tinnerholm and Thomas Isberg agreed to focus at little less on ultra running and more on pop music. Together with friends Per Larsson and Ulf Eklund they put Hearts Went Frozen EP on tape and released it in November 2023. Thomas Strömbom enjoyed the single AQ on the radio and asked the band if they needed a keyboard player. Of course the band said yes, and has ever since performed as a quintet.

Through The Grain was released on March 8th as the first of three singles planned for the spring of 2024.
