Northern Trails – In the Dark (Remixed)

About the release

In The Dark re-mixed and mastered by Martin Antonsson.

In The Dark is the story of a vampire lurking in the shadows, falling in love with a human out of reach in the sun light. On one level that is. On another level it's about forbidden desire and how we constrain ourselves to keep things in order and to avoid self destruction.

The song started out in the band's rehearsal space as a track oozing with 70's rock, some of what made it to the recorded track. Blessed with a slightly more orchestral vibe, *In The Dark* displays Northern Trails at their most dynamic moment, in the same breath lingering, longing and raging.

The cover art for *In The Dark* was created by Swedish artist Nino Ramsby.

About Northern Trails

Northern Trails make warm, melody-first guitar pop that feels like it was always there — somewhere between the emotional depth of R.E.M.'s *Automatic for the People*, the sweeping melodic instincts of Keane, and the quiet grandeur of early Coldplay. Rooted in the 90s indie tradition, they make music for people who still believe in the power of a well-written song.

The band came together in Uppsala, Sweden in May 2022, when Christer Tinnerholm and Thomas Isberg decided it was time to spend a little less time on ultra running and a little more on pop music. Joined by Per Larsson and Ulf Eklund, they recorded *Hearts Went Frozen EP* and released it late 2023. Thomas Strömbom heard the single *AQ* on Swedish radio and asked if the band needed a keyboard player. Northern Trails has performed as a quintet ever since.

Since then the band has built a steady catalogue of singles and a growing reputation on the Swedish live circuit. In spring/summer 2026 they return with a run of new singles and a new EP.
