

Northern Trails – In the Dark (Remixed)

About the release

In The Dark re-mixed and mastered by Martin Antonsson.

In The Dark is the story of a vampire lurking in the shadows, falling in love with a human out of reach in the sun light. On one level that is. On another level it's about forbidden desire and how we constrain ourselves to keep things in order and to avoid self destruction.

The song started out in the band's rehearsal space as a track oozing with 70's rock, some of what made it to the recorded track. Blessed with a slightly more orchestral vibe, *In The Dark* displays Northern Trails at their most dynamic moment, in the same breath lingering, longing and raging.

The cover art for *In The Dark* was created by Swedish artist [Nino Ramsby](#).

About Northern Trails

Rooted in Americana, 90s Britpop and Swedish indie pop tradition, Northern Trails has a way of presenting timeless melancholic melodies in traditional pop and rock costumes decorated with genre-crossing pearls.

The band was formed in Uppsala, Sweden in May 2022 when Christer Tinnerholm and Thomas Isberg agreed to focus a little less on ultra running and more on pop music. Together with friends Per Larsson och Ulf Eklund they put *Hearts Went Frozen EP* on tape and released it in November 2023. Thomas Strömbom enjoyed the single *AQ* on the radio and asked the band if they needed a keyboard player, and Northern Trails has ever since performed as a quintet.

Upcoming releases

Date	Title	Format
