

Northern Trails – Ride the Wing

About the release

Ride the Wing has been around since the first Northern Trails shows in 2023. It's been a tough beast to tame and the band has re-arranged the song more than once. Ride the Wing is about trying to correct mistakes.

About Northern Trails

Rooted in Americana, 90s Britpop and Swedish indie pop tradition, Northern Trails has a way of presenting timeless melancholic melodies in traditional pop and rock costumes decorated with genre-crossing pearls.

The band was formed in Uppsala, Sweden in May 2022 when Christer Tinnerholm and Thomas Isberg agreed to focus a little less on ultra running and more on pop music. Together with friends Per Larsson och Ulf Eklund they put Hearts Went Frozen EP on tape and released it in November 2023. Thomas Strömbom enjoyed the single AQ on the radio and asked the band if they needed a keyboard player, and Northern Trails has ever since performed as a quintet.
